- Database Management Systems
- Operating Systems
- Teamwork & Collaboration

# PROJECTS

## College Website

- Upon visiting the website, users are greeted with a visually appealing homepage featuring essential information about the university, including its mission, values, and academic programs. The navigation menu, crafted using HTML and styled with CSS, provides intuitive access to various sections of the website, such as admissions, academics, student life, and campus resources.
- 

## Portfolio Website

- Creative Showcase is a portfolio website crafted with HTML, CSS, and JavaScript, designed to showcase the talents, projects, and accomplishments of its creator. With a sleek and modern interface, the website serves as a virtual gallery where visitors can explore the creator's portfolio in an engaging and interactive manner.
